

# HOW TO BREW CRAWL

## 5 STEPS TO FUN

### 1) PICK YOUR WEEKEND

Choose your date and purchase tickets above

### 2) PLAN YOUR CRAWL

Choose a few places you'd like to visit from our list & keep an eye on the times your trolley will be there. Example below!

### 3) START YOUR TOUR

Arrive at your brewery of choice and wait by the trolley sign at the designated time of pick up to board. You will receive your armband the first time you board

### 4) GRAB SOME BREWS

Grab a drink and one to go to drink on the trolley! Check the trolley tracker for the exact location of your trolley.

### 5) PLAN YOUR RETURN

Pay attention to the timing of the last loops your trolley will make to return to your starting point

### WHAT HAPPENS IF I MISS MY LAST TROLLEY GOING HOME?

If you find yourself having a lot of fun and the tour is technically over, you can board any of our route trolley's for free by showing the driver your armband

### CAN I BRING MY DRINK ON THE TROLLEY?

We allow alcohol on our tour and charter trolleys only. Alcohol is strictly prohibited from our Public Transportation Routes.
